

Hip-Hop Dance Class with Hannah Pierre

hannah.bellpierre@gmail.com

This 12-week program consists of a 1-hour dance class every week as an extra curricular activity suitable for all elementary students! The hip-hop class will teach kids the fundamentals of hip-hop and enable children to engage in physical activity in a safe, fun and recreational environment. It will be geared to help build children's confidence and encourage creativity by learning various dance moves through different choreographies. At the end of the session, there will be a mini-show where the kids will be able to show family and friends the choreographies they have learned throughout the weeks.
