

Join us for wine & cheese to meet the Souvenir Parent Committee

Wednesday, May 10th 2017

Teacher's Staff Room

at 7:00 pm

The Souvenir Home and School Committee is an energetic, friendly group of parents who are dedicated to enriching school life for all Souvenir students. It's a great way to help our school and our children. By being active in your child's school, you are demonstrating to them the importance you place on education. Our meetings are held once a month at the school, on a Wednesday night, and usually last two hours. You can make a difference!

If you are interested in joining our executive team and/or becoming a member, please don't hesitate and contact us at souvenir.homeandschool@gmail.com . Please note that **no experience** is required. Your voice and ideas can help improve the quality of education for your children and their peers. The Souvenir Home and School Committee will be holding their annual executive elections on May 10th. We hope you will become a part of this dynamic group.

Thank you,
Souvenir Home & School Committee
