

## **SOUVENIR WINTER CARNIVAL 2018**

Dear Parent(s)/Guardian(s),

Our school is organizing a Winter Carnival trip for the school. **All our Grade 1 to Grade 6 students** will have the opportunity to attend a wonderful outdoor activity of **tube sliding**. This trip fits into the Health and well-being objective in that it encourages the children to have an enjoyable physical activity and allows them to bond with their teachers in a fun environment outside of the classroom.

**Date: February 26, 2018**  
**Place: Glissades sur tube Avila**  
**Time: 8:15 am – 2:30 pm**  
**Cost: \$ 20 (cash only)**

Your child will need: Tuque, mittens, scarf, snowsuit, boots and a complete disposable lunch. Helmets are strongly recommended. (any type of helmet)

We will also need volunteers for the trip. Should you be interested in volunteering, please check the appropriate box below only if you have already completed the judicial verification process. Volunteers will be chosen from this list only. **The ticket cost per adult is \$20.00 for Grade 1 to Grade 6 volunteers.** Volunteers will be given direction from the classroom teacher as to how to proceed for the day. We ask that volunteers be willing to be available to all our Souvenir students not just your child.

**In the event your child cannot participate, it is considered a school day, therefore your child can come to school that day.**

The cost of transportation for this outing has been subsidized through funds raised by the Souvenir Home and School Association.

**Please return the response coupon below and your money by Wednesday, February 14, 2018 (CASH ONLY & NO REFUNDS).** We are looking forward to a great day outdoors!

M. Cortese  
Vice-Principal
