Summer is here and we had another wonderful, yet strange year. The Souvenir Home and School Committee hope you have a safe, healthy, and fun summer break and we'll see you all again in August to start the 2020-2021 school year.

Summary of the 2019-2020 School Year

It has been a roller coast of a year and the Home and School Committee would love to thank all of you for making it as wonderful and memorable as it was. We started off with our traditional Welcome Back Corn roast and Movie Night.

Picture day too we had at the beginning of the year, this is a fundraiser as well as a service to you all. Home and School again supplied students with pumpkins to decorate this year. We helped serve a breakfast to our veterans on Remembrance Day and we also had our first CP Awareness day at Souvenir and Home and School helped raise awareness by supplying volunteers and decorations for this memorable day.

Next Meeting.

Our next meeting will be help **September 2020**. Details will be sent out at the beginning of the school year.

Come join us, meet other parents, and give us new ideas!

Summary of the 2019-2020 School Year

Home and School also supplies volunteers to help out with regular tasks the school needs help with such as vaccine day, organizing the lost and found, as well as helping out in the office counting funds. We also organize the pizza and frozen treats regularly. The library benefited from new furniture and flashlight for Ms. Toni's Flashlight Fridays.

One of our big fundraisers happens in November, our annual book fair. This is a highly anticipated fundraiser and a fun activity to encourage our students to read. Throughout the year we supply the principal with awards for the Students of the Month and Academic Achievement award winners, such as items from the book fair and tickers to see the Rockets. We help supply and decorate for the holidays too.

Don't forget throughout the year the Home and School gives each teacher and the library a budget to purchase items for their students. We do all this using through special fundraising events and with pizza and frozen treats days. We also have two easy online fundraiser, Mabel's Labels and Fundscrip.

One of our last events this year was staff appreciation week. A big "thank you all" for the wonderful baked goods you supplied. Not only were they delicious – I've been told – they were in abundance!

We weren't able to have some fundraiser we planned such as chocolates, but fortunately just before the break we helped fund the tubing trip. It was great weather and an amazing fun time. It was a wonderful way to end the school year.

Sadly because our school year was cut short we weren't able to kick off the summer with our Funfest. In the background volunteers were hard at work preparing for it all year.
