

Souvenir Elementary School Volunteers 2018-2019

The Home & School Association, the Souvenir parent committee, is looking for parents to volunteer during events held at the school throughout the year. Volunteers, who contribute their time and services, make the events at the school successful. Home & School's goal is to complement each child's academic growth by supporting fun-filled activities that add to the overall educational experience. We invite you to become a volunteer and be active in our school's community.

Please complete the form below. Feel free to choose more than one event that interests you and your availability will be confirmed before the event. We kindly ask that you please return the form by September 7th, so that we are able to have our list of volunteers for upcoming school events.

As per regulations, all volunteers must fill out the Declaration of Judicial Record Form available on Souvenir's school website to be eligible to volunteer at the school.
